

Stayover in Dysart

 **INDUSTRY**
Mining & Resources

 **LOCATION**
Dysart, QLD

Lavishly landscaped with native plants and winding pathways, the vibrant Stayover in Dysart 410-room village creates a modern yet welcoming home-away-from-home experience for the Bowen Basin workforce.

The 15sqm accommodation rooms are larger than the industry standard and provide a generous and comfortable space with a double bed and ensuite. All rooms are also equipped with stylish furniture, LCD television with Foxtel, private fridge, desk area and split system air conditioning for year round comfort. Designated nightshift accommodation areas ensure guests are not woken by day-to-day village and guest operations.

Breakfast, crib lunch and dinner are included in each stay. The village restaurant includes a modern kitchen and large dining facility with high-raked ceilings to allow natural light and

ventilation, and provides fresh, nutritious meals prepared daily by the onsite chef, served in an informal self-serve style. A comprehensive menu ensures all dietary requirements are satisfied with in an ever-changing menu cycle. An ice room ensures guests can keep their crib lunch fresh whilst on site. The village café offers a barista brewed coffee along with gourmet treats and desserts. Next door, the corner store sells magazines, bottled drinks, toiletries and more.

Recreation facilities include a fully equipped gym with flat screen TVs, entertainment centre with pool table and big screen LCD TV, undercover BBQ areas with food packs available to order, cafe and corner store and a walking/running track. Conference rooms are also available if required.
