ENJOY YOUR STAY

*Please note one way traffic within our facility.

KINGFISHER STAYOVER VILLAGE TRAFFIC

Residents are reminded that the village operates under a one-way traffic system, moving in an anticlockwise direction. The only exception to this is the front administration and entrance area, as highlighted on this village map.

Please remain vigilant and exercise caution all times, as buses, pedestrians, buggies, forklifts and delivery vehicles may be active throughout the village during various times of the day.

- Speed signs and all traffic control signage must always be adhered to.
- All vehicles are to be reverse parked in designed parking bays only.
- Vehicle registration numbers must be provided upon check-in to your accommodation.
- No trucks or Vehicles with trailers are permitted to park in the village.
- For further information please refer to the Village Compendium.

We appreciate your co-operation in ensuring a safe environment for all.
